Livable Dedham Fall Forum

Wednesday, November 2, 2016
Dedham Middle School -7pm

Come and help shape our community to make Dedham a great/healthy place to grow up and grow older for all ages, especially those 55+. Hear results of the Spring resident survey and help us brainstorm to achieve:

- ✓ Better communications about events and activities
- ✓ New Senior programs and activities
- ✓ More options for affordable and accessible housing
- ✓ More walking, fitness and transportation options
- ✓ More volunteer and lifelong learning options

We can't get there overnight, but we can make progress. Get involved and be part of the conversation. **EVERYONE IS WELCOME**

RSVP suggested to: livededham@gmail.com

Livable Dedham is a community initiative formed in 2015, bringing together individuals and community organizations interested in making Dedham a great place to grow up and grow old. Join us.
