

PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,
from March 22, 2021 to March 26, 2021**

Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the fall of 2022.

What to expect March 22, 2021 (Monday) through March 26, 2021 (Friday):

- The project site remains closed to the public.
- Bulk excavation of the site is substantially complete.
- By the end of the week of March 15th, crews will have **completed approximately 62%** of the drilling and installation of the Geopiers, known as Reinforced Aggregate Piers (RAP), onsite. This work includes vibratory compaction so some vibrations might be felt outside of the project site.
- Vibration monitoring systems remain in place in and around the site and are operational 24/7. To date, no excessive vibrations have been measured outside of the project side boundaries. Crews will continue to monitor this work to mitigate any disturbances. This work is scheduled to be completed by the end of March 2021.
- During the ground improvement work, crews will be using large machinery and trucks, equipped with back-up alarms that may be heard around the project site. Trucks may be entering and exiting the site along Bryant Street, hauling material to the site.
- The foundation work is targeted to begin during the week of April 5, 2021.
- Alternate support of excavation installation on the south wall is pending.
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

Construction Hours:

- Crews will be working onsite Monday through Friday, from 7:00 AM to 3:30 PM

Project Team Contact Information:

- Immediate issues or concerns, please contact the Dedham Town Manager's Office at [781-751-9100](tel:781-751-9100).
- For general questions or concerns, please contact the project team at psb@dedham-ma.gov
