

# PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and  
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,  
from May 3, 2021 to May 7, 2021**

## Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

## What to expect May 3, 2021 (Monday) through May 7, 2021 (Friday):

- The project site remains closed to the public.
- The [livestream video](#) of the construction is now available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building.
- Crews will continue:
  - Excavation, rebar installation and concrete pours along the east perimeter
  - Installation of concrete foundation wall along the north elevations of the site
  - Excavation of the elevator and stairwell #1 footings
- Crews will also begin backfilling foundation footings, piers and grade beams already installed.
- Dewatering system is still in operation onsite and will remain operational throughout the remainder of the excavation work.
- Trucks may be entering and exiting the site along Bryant Street, hauling material to the site.
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

## Construction Hours:

- Crews will be working onsite Monday through Friday, from 7:00 AM to 3:30 PM
