

PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,
from June 7, 2021 to June 11, 2021**

Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

The [livestream video](#) of the construction is now available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building.

What to expect June 7, 2021 (Monday) through June 11, 2021 (Friday):

- The project site remains closed to the public.
- Crews will continue installing the shear wall formwork for stairwell #1 and for the elevator shaft.
- The formwork for stairwell #2 was removed from the project site as of **June 4, 2021**.
- Two cranes are currently in-use onsite to install shear walls and rebar for elevators and stairwells.
- The placement of interior footings, piers and walls and concrete pours will continue this week.
- The west wall onsite (adjacent to Washington Street) rebar and framework will continue this week.
- Dewatering system is still in operation onsite and will remain operational throughout the remainder of the excavation work.
- Trucks may be entering and exiting the site along Bryant Street, hauling material to the site.
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

Construction Hours:

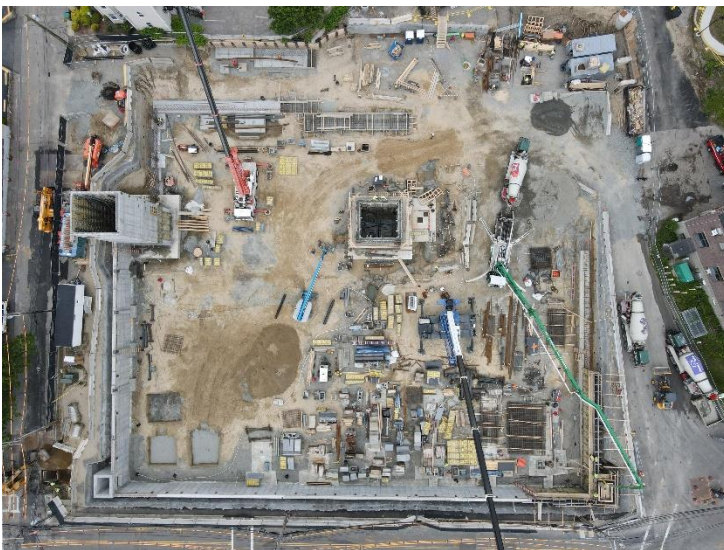

- Crews will be working onsite Monday through Friday, from 7:00 AM to 3:30 PM
