

PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,
from February 21, 2022 to February 25, 2022**

Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

A [livestream video](#) of the construction is available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building. While there, check out the updated Before-and-After photos of the progress onsite.

What to expect February 21, 2022 (Monday) through February 25, 2022 (Friday):

- The project site remains closed to the public.
- Roofing contractors will be working onsite on **Saturday, February 19, 2022, Sunday, February 20, 2022 and Monday, February 21, 2022** to install roofing the south and east sides of the building. Roofing will continue through this week.
- Crews will continue mechanical, electrical, fire protection, and plumbing installations this week.
- Repairs to the elevator shaft are expected to be completed this week. The anticipated delivery date of the elevator is **March 1, 2022**.
- The installation of the 4-inch concrete masonry unit wall in the garage is still underway. Masonry contractors will continue to install the stone veneer to the west side of the building this week.
- Installation of Stair #1 is underway and will continue this week.
- Eversource crews will return this week to relocate the existing overhead utility wires from the existing poles to the newly installed poles.
- The interior cold form metal framing work will continue this week and crews will work to finish installing the remaining Densglass sheathing and air/vapor barriers on the exterior of the building.
- Expect periodic entrance and exit of large trucks at the project site entrance, located at the intersection of Washington Street and Bryant Street. **Please expect minor traffic delays at this intersection.**
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

Public Viewing Area:

If you want to stop by to check out the progress, stand by the picnic table outside the north entrance to Town Hall. This spot provides a great view into the project site and is outside of the project boundaries. Worth a visit!

Construction Hours:

- Crews will be onsite:
 - Saturday, February 19, 2022 from 8:00 AM to 4:00 PM

- Sunday, February 20, 2022 from 8:00 AM to 4:00 PM
- Monday through Friday: 7:00 AM to 5:00 PM

Project Team Contact Information:

- Immediate issues or concerns, please contact the Town Manager’s Office at [781-751-9100](tel:781-751-9100).
- For general questions or concerns, please contact the project team at psb@dedham-ma.gov
- For more information about the Public Safety Building Project, please visit the project website at www.dedham-ma.gov/psb
- Download our [project team contact information flyer](#) on the project website.
