

PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,
from March 21, 2022 to March 25, 2022**

Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

A [livestream video](#) of the construction is available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building. While there, check out the updated Before-and-After photos of the progress onsite.

What to expect March 21, 2022 (Monday) through March 25, 2022 (Friday):

- The project site remains closed to the public.
- Crews will continue the mechanical, electrical, fire protection system, and plumbing installations this week.
- Piping along the second floor of the Fire Department will continue to be insulated this week.
- Installation of the exterior stone (Shouldice) will continue along the North, South and West sides of the building.
- Anticipated delivery date of the elevator is still the end of March. Remaining repairs to the elevator shaft will be completed in the coming weeks, prior to installation.
- Installation of the first floor Police and second floor Fire door frames are nearing completion and will continue this week.
- Air Vapor Barrier nearing completion, Punch List repairs ongoing.
- As of Friday, March 14, 2022, all repairs to the stair #1 slab have been completed.
- The roof above the Police Sallyport is nearing completion and will continue this week.
- Expect periodic entrance and exit of large trucks at the project site entrance, located at the intersection of Washington Street and Bryant Street. **Please expect minor traffic delays at this intersection.**
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

Public Viewing Area:

If you want to stop by to check out the progress, stand by the picnic table outside the north entrance to Town Hall. This spot provides a great view into the project site and is outside of the project boundaries. Worth a visit!
