

PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,
from April 18, 2022 to April 22, 2022**

Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

A [livestream video](#) of the construction is available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building. While there, check out the updated Before-and-After photos of the progress onsite.

What to expect April 18, 2022 (Monday) through April 22, 2022 (Friday):

- The project site remains closed to the public.
- Crews will be working on **Saturday, April 16, 2022** from 8:00 AM to 4:00 PM.
- The site will be open for construction on **Monday, April 18, 2022**.
- Crews will be installing the footings for new traffic signals this week and [Bryant Street will be closed](#) to vehicular traffic from **Tuesday, April 19, 2022 through Thursday, April 21, 2022** between 7:00 AM and 3:30 PM.
- Crews will continue the mechanical, electrical, fire protection system, and plumbing installations this week.
- Piping throughout the entire building will continue to be insulated this week.
- Installation of the exterior stone (Shouldice) will continue along the south side of the building.
- Crews will continue to install the brick veneer along the northwest corner and south side of the building and will continue to build the staging along the north side of the building.
- The anticipated delivery date of the elevator is the third week of April.
- A date has not yet been set for placement of the generator pad and transformer pad. The project team will provide updates when available.
- Installation of the base and foundation for the cell tower is underway and will continue this week. Final permit to complete this work is pending.
- Expect periodic entrance and exit of large trucks at the project site entrance, located at the intersection of Washington Street and Bryant Street. **Please expect minor traffic delays at this intersection.**
- No additional traffic impacts (other than listed above) or pedestrian impacts are anticipated during this week.

Public Viewing Area:

If you want to stop by to check out the progress, stand by the picnic table outside the north entrance to Town Hall. This spot provides a great view into the project site and is outside of the project boundaries. Worth a visit!

Construction Hours:

- Crews will be onsite:
 - Saturday, April 16, 2022: 8:00 AM to 4:00 PM
 - Monday through Friday: 7:00 AM to 5:00 PM

Project Team Contact Information:

- Immediate issues or concerns, please contact the Town Manager's Office at [781-751-9100](tel:781-751-9100).
- For general questions or concerns, please contact the project team at psb@dedham-ma.gov
- For more information about the Public Safety Building Project, please visit the project website at www.dedham-ma.gov/psb
- Download our [project team contact information flyer](#) on the project website.
