

# PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and  
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,  
from August 29, 2022 to September 2, 2022**

## **Project Overview:**

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

A [livestream video](#) of the construction is available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building. While there, check out the updated Before-and-After photos of the progress onsite.

## **What to expect August 29, 2022 (Monday) through September 2, 2022 (Friday):**

- The project site remains closed to the public.
- **Weekend Work:** Contractors will be working onsite on **Saturday, August 27, 2022**, between 8:00 AM and 4:00 PM. Work will include asphalt removal along Union Place, and the installation of decks and epoxy flooring within the building. **Traffic may be impacted around the site tomorrow during work hours. Please use extreme caution and allow for additional travel time.**
- **Upcoming Roadwork/Potential Traffic Delays:** Next week, contractors will be removing asphalt from Washington Street, Bryant Street, and Union Place. As part of this process, crews will also be utilizing a vibratory roller to compact soil beneath the asphalt. The vibratory roller may cause vibrations to be felt outside of the immediate project area. **If you experience vibrations near the project site and have questions or concerns, please contact the Project Team directly via email at [psb@dedham-ma.gov](mailto:psb@dedham-ma.gov) and provide your preferred contact information.** The Project Team is tracking communications and a member of the Project Team will contact you to answer your questions.
  - **This work may result in traffic delays and detours, as needed. Please plan for additional travel time in the area and proceed with caution to follow directions and posted signage. Please be cautious for pedestrians and drive slowly.**
- HVAC contractors will continue to install valves and associated piping for the inductions units located on the second floor of the Police Station. Additionally, contractors will be insulating the induction unit piping on the second floor of the Fire Station.
- Sheet metal contractors will be installing rough duct work within the Apparatus Bays.
- The fire protection subcontractor will continue building out the sprinkler room.
- Painters will continue to focus on painting the walls within the Apparatus Bay this week.
- Plumbers will rough install plumbing at the Apparatus Bay and will insulate piping within the Apparatus Bay.
- Permanent power was supplied to the building on July 28, 2022 in anticipation of the generator. Delivery of the generator is estimated for September.
- Electrical contractors will continue to pull data wires to the second floor of both Police and Fire Stations, install fire alarm devices on the first floor of the Police Station, and will install lighting in the basement.
- Continue the installation of ceramic tile on the second floor of the Police and Fire Stations.

- Expect periodic entrance and exit of large trucks at the project site entrance, located at the intersection of Washington Street and Bryant Street. **Please expect minor traffic delays at this intersection.**
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

### Public Viewing Area:

If you want to stop by to check out the progress, stand by the picnic table outside the north entrance to Town Hall. This spot provides a great view into the project site and is outside of the project boundaries. Worth a visit!

### Construction Hours:

- Crews will be onsite:
  - **Saturday, August 27, 2022: 8:00 AM to 4:00 PM**
  - Monday through Friday: 7:00 AM to 5:00 PM

### Project Team Contact Information:

- Immediate issues or concerns, please contact the Town Manager’s Office at [781-751-9100](tel:781-751-9100).
- For general questions or concerns, please contact the project team at [psb@dedham-ma.gov](mailto:psb@dedham-ma.gov)
- For more information about the Public Safety Building Project, please visit the project website at [www.dedham-ma.gov/psb](http://www.dedham-ma.gov/psb)
- Download our [project team contact information flyer](#) on the project website.
