

PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,
from November 28, 2022 to December 2, 2022**

Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

A [livestream video](#) of the construction is available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building. While there, check out the updated Before-and-After photos of the progress onsite.

What to expect November 28 (Monday) through December 2, 2022 (Friday):

- The project site remains closed to the public.
- Crews will be working onsite **Saturday, November 26, 2022**, from 8:00 AM to 4:00 PM.
- HVAC contractors will be onsite installing the split system and are continuing to finalize the insulation fittings.
- Sheet metal will be installed within the basement locker area exhaust.
- Miscellaneous sprinkler heads will be installed throughout the building as part of the Fire Protection System.
- Plumbing contractors will be onsite to continue installing plumbing finishes within the basement.
- Electricians will be pulling wires in the Apparatus Bay and installing fire alarms in the stairwells. They have completed the installation of two 4-inch fire alarm conduits on Washington Street.
- Painters will be onsite to finish painting the first floor and the basement.
- Masons will be grouting cell block doors and performing punch list repairs.
- The remaining sidewalks along the east and north sides of the building will be formed by concrete subcontractors.
- The site contractor will be backfilling along the west side of the site and will be installing granite curbing.
- Contractors will continue installing the overhead doors within the apparatus bays.
- Landscapers will be onsite to continue installing concrete pavers along the west side of the building.
- Expect periodic entrance and exit of construction vehicles at the project site entrance, located at the intersection of Washington Street and Bryant Street. **Please expect minor traffic delays at this intersection.**
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

Public Viewing Area:

If you want to stop by to check out the progress, stand by the picnic table outside the north entrance to Town Hall. This spot provides a great view into the project site and is outside of the project boundaries. Worth a visit!

Construction Hours:

- Crews will be onsite:
 - **Saturday, November 26, 2022: 8:00 AM to 4:00 PM**
 - Monday through Friday: 7:00 AM to 5:00 PM

Project Team Contact Information:

- Immediate issues or concerns, please contact the Town Manager's Office at [781-751-9100](tel:781-751-9100).
- For general questions or concerns, please contact the project team at psb@dedham-ma.gov
- For more information about the Public Safety Building Project, please visit the project website at www.dedham-ma.gov/psb
- Download our [project team contact information flyer](#) on the project website.
