ABOUT CURBSIDE COLLECTION

Trash will be collected weekly, and recycling collection will occur every other week on either Gray or Maroon weeks. To confirm your collection day and recycling collection week, please refer to the street listing on pages 6 through 9.

HOW TO PREPARE FOR TRASH COLLECTION

Everyone must adhere to the following guidelines for curbside collection:

- All materials for collection **must be placed at the curb by 7:00 a.m.** on your collection day
- All household trash must be bagged and placed within the 96-gallon maroon trash cart with the lid closed. No materials may be sticking out of the cart
- Do NOT place any recyclables inside the maroon trash cart
- The following items will not be accepted for trash collection: dirt, sod, rock, concrete, construction/demolition debris, household hazardous waste, hot ashes, or flammable materials, such as oil, gas, or paint

EXCESS HOUSEHOLD TRASH

The Town has contracted with Boston Carting Services, LLC. and WasteZero to provide an option for Dedham residents to dispose of excess household trash.

Residents should place their household trash in their Town-issued trash cart. Trash that does not fit into the cart can be placed in official overflow bags.

Official overflow bags, 30-gallon yellow bags with the Town seal, can be used to dispose of excess household trash ONLY. Official overflow bags are available for purchase at the following local retailers for \$2.00/bag in sleeves of five:

- Star Market - 795 Providence Highway
- Stop & Shop - 160 Providence Highway
- Terri's Market - 12 Louise Road

CARTS

If your cart is damaged, please call Boston Carting Services at 800-338-3867 to schedule a repair or replacement.

NOTE: Each household is limited to one trash cart and one recycling cart. Please use overflow bags for excess household trash.

RECYCLING DO'S AND DON'TS

Dedham Recycling begins at the curb. By recycling everyday items like those shown below, tons of raw materials, time, energy and money are saved. To ensure Dedham has the maximum contribution rate of recycling, and avoid being tagged for non-compliance, please follow the guidelines listed below:

- Place only the acceptable recyclables pictured below in recycling cart
- Plastic bags and polystyrene foam are **NOT** acceptable in recycling cart
- Please empty all loose recyclables directly into cart

ADDITIONAL RESOURCES

The Massachusetts Department of Environmental Protection (MassDEP) developed an initiative in 2018 called "Recycle Smart" to help educate Massachusetts residents about what can and cannot go into your recycling bin (see Smart Recycling Guide above).

Visit the Recycle Smart website at www.recyclesmartma.org for more information including FAQs, newsletters, and a recycling road map that shows what happens to recycled items after they are collected from the curb.

Can I Recycle This?

Recycle Smart has created an online search tool on their website, known as the "Recyclopedia", that enables visitors to search for a common item and receive recycling or disposal instructions that are in compliance with regulations.

BULKY ITEMS AND WHITE GOODS

Bulky items and white goods are waste that will not fit into your trash cart, such as washing machines, mirrors, furniture, etc. These items will be collected **by appointment** on a weekly basis. Residents must call Boston Carting Services at (800) 338-3867 to schedule an appointment and pay the fee for collection.

Fees for each item:

- o Bulky Items = \$30.00 (\$31.29 as of July 1, 2023)
- o White Goods = \$35.00 (\$36.51 as of July 1, 2023)

WASTE BAN

Waste bans are restrictions on the disposal, transfer for disposal, and contracting for disposal of certain hazardous and recyclable items. The purpose of the Waste Ban is to capture more recyclables, conserve landfill space, and keep hazardous substances out of the environment.

Effective November 1, 2022, the MassDEP added textiles and mattresses to the list of materials that are banned from disposal and must be recycled.

If you would like to dispose of a **mattress**, please call Boston Carting Services at (800) 338-3867 to schedule an appointment and pay the fee for collection.

Fee for Mattresses = \$75.00

For more information about the updated waste ban, please visit www.recyclesmartma.com.
