

JEWELRY REPAIR AND VALUE!

Mike Sullivan and Peri O'Connor will speak for a few minutes about The Diamond Guild, how gold is bought and sold, how we buy it from you and what you can expect from us.

The Diamond Guild staff will examine each piece, check for authenticity of the gold, weigh it, and make an offer to purchase.

If you would like to know a piece's condition, The Diamond Guild staff will look at it, assess its condition and estimate the cost of any repairs as well.

They look forward to meeting you at this exciting event.

Coupons for jewelry repair at the store will be available at the presentation
