

Sustainability Advisory Committee Meeting
April 7, 2014

Attendees: Jon Briggs, Deb Harrison, Chuck Kabat, Leigh Hafrey, Rich McGuinness & Mark MacLean

D.H. accepted the SAC minutes of January 6th, 2014, as amended

Dedham Greenway Mtg recap:

JB said that ...

-some residents were skeptical

-we should have more info soon from our “authority” on greenway construction

& -we’re on the School Cmte. agenda for June

CK asked if any other towns have greenways located adjacent to a school (like Avery)?....JB said that Lexington & other towns do

Earth Day Cleanups

JB...many available.....all are 9AM to 12Noon....& they’re posted on the Town website

(Note: This is the same time as the 15th annual CRWA clean-up)

Charging Stations

JB said the Board of Selectmen has to meet on this topic...hopefully, they’ll convene before Earth Day (Note: the proposed station is slated for a corner of the “Keystone” parking lot, in Ded SQ.)

Recycling Event at Dedham Middle School (DMS)

8:30AM to 12:30PM on May 31st

Featuring,Shred –It, Refoam It, scrap metal, clothing/textiles/stuffed animals

& a bottle drive to help support the DMS trip to Spain

Monthly Article

CK will email Ginny & write an article based on our annual report to outline what SAC has done over the last year

Old Business

(JB) At many sports-fields, there have been recycle barrels placed in various locations, (not just in 1 spot) thanks to Joe Flanagan & DPW staff

(JB) Compost bins are for sale (\$40. / each)

(LH) 2 trees are down at Town Landing, making it difficult to access the Charles River

(LH) discuss the Adaptation Plan with Ginny

(DH) 1 large tree is down in the Charles River near Noble & Greenough School

Next Meeting is scheduled for May 5th, 2014

CK made motion to adjourn.....seconded by MM
